IMPORTANT SAFETY PRECAUTIONS

Do not operate mobile equipment while driving a motorized vehicle - safe driving and safety consideration of others should always be your highest priority.

In the event you should notice smoke, strange noises or odor from this product, or any other abnormal signs, immediately turn off the power and consult your dealer or the nearest authorized SOUND STORM LABS Service Center. Using this product in this condition may result in permanent damage to the system.

Set your volume control at a low setting, then slowly increase the sound until you can hear it comfortably without distortion or ear discomfort.

BE SURE TO OBSERVE THE FOLLOWING GUIDELINES:

Do not turn up the volume so high that you can't hear what's around you.

Use caution or temporarily discontinue use in potentially hazardous situations.

INSTALLATION PRECAUTIONS

WARNING - Always consult a professional installer

Do not attempt to install or service this product by yourself. Installation or servicing of this product by persons without professional training and experience in electronic equipment and motorized vehicle accessories may be dangerous and could expose you to the risk of electric shock, injury or other hazards.

Refer any repairs to a qualified SOUND STORM LABS Service Center.

The SB26 can be powered from a vehicle's cigarette lighter / auxiliary power port, or hard wired directly to the battery through an optional relay / accessory switch.

When wiring directly to the vehicle's battery, be sure to disconnect the battery's negative terminal wire before starting any wiring procedures. It is suggested that an optional fuse and fuse holder (not included) with minimum rating of 15 amps be in line with the positive battery terminal.

The ground cable length should not exceed 18-inches (See wiring diagram).

The SB26 has a weather resistant design, it should not be submerged in or under water under any circumstances.

Use only the installation parts provided with the SB26.

Wash with a mild soap or detergent and lukewarm water using a clean sponge or a soft cloth. Rinse well with clean water.

"Don'ts" - Very Important

DON'T clean in hot sun or on very hot days.

DON'T use abrasive or highly alkaline cleaners on the main body.

DON'T scrape the main body with razor blades, or other sharp instruments.

DON'T ever use, gasoline, acetone or carbon tetrachloride.

GETTING TO KNOW YOUR SB26

1. 3.5mm AUX-INPUT

2. CIGARETTE POWER CABLE ADAPTOR

3. LED POWER INDICATOR

4. CONTROL PANEL

5. USB JACK
