SSV-6HR

Automobile Headrest TFT LCD Monitor

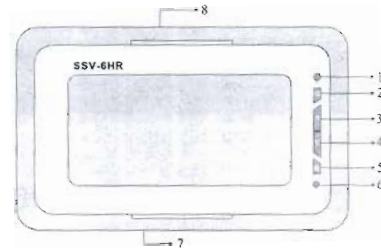

SSV-6HR Owner's Manual

Congratulations on your purchase of a Sound Storm TFT high resolution LCD monitor. Before installing the monitor please carefully read these instructions and keep them for future reference.

CAUTION

1. the driver must not be able to view operational monitor while driving the vehicle. This is illegal in most states. CHECK with your local law enforcement officials for details.
2. Always check polarity when connecting wire to avoid damage to the unit and/or vehicle.
3. Do not open the housing of the monitor. Servicing must be done at our factory by authorized technicians to maintain the warranty.
